Lansing, Lansing

Price:

75.00 \$

Black, NetJets Leather Flight Jacket. I purchased this jacket used through an on-line auction and it is high quality and in great shape. The tag says size XL but it fits like between a medium and a large. Since I need a XL jacket that is why I'm selling it – if it fit I would keep it. Sells for nearly \$300 new but I will sell it for what I have in it - \$75.
